

Cake Mix Magic

My family says this is “Goooooooooooooooood!”

2 cups miniature marshmallows

1 package white or yellow cake mix

2 cups fresh strawberries

3-ounce package strawberry Jell-O

Vanilla ice cream or whipped cream, opt.

Heat oven to 350 degrees. In a greased 9x13-inch baking pan, sprinkle marshmallows to cover bottom of pan; set aside. Prepare cake mix according to package directions and pour over marshmallows. Slice fruit and combine with dry Jell-O; stir to dissolve Jell-O. Gently pour over cake batter. Bake at 350 degrees for 30 to 40 minutes or until tests done. Serve with ice cream or whipped cream, if desired.
